Fds. Hl President's report in
the matter.

The Hl President reports that
for the year 1943-44 the sanctioned Budget
was Rs 107-P M, But ~~due to the war~~
~~Conditions~~ in respect of contingencies.
But due to war conditions The ~~to~~ expenditure
has to exceed by Rs 3/-P M. This increase
was from ~~the~~ May 1943 and is
continued during the current year.
It is stated That The Auditor has
taken objection to the increase for
the last two months in the year
1943-44 & for the ~~whole~~ current year.
So a fresh sanction of Govt is
requested to the expenditure of Rs
3/P M from May 1943 upto date.

The President states that
every effort is being made to keep
down the expenditure not exceeding
Rs 13/-P M.

In the circumstances, the
Audit objection may perhaps be
waived

26 10/6 1946

There is certainly no reason found among the papers this 10/6 1946 why the expenditure in this Township should be more than in other Townships. The expen Vts 10% as against R 30% P.T. allowed is highly excessive

Sanction 6188 of 7845

Hence the expenditure incurred at Rs 2 of Jan till now may be sanctioned, with the observation that it was irregular to have incurred it without the sanction of Govt & that it must be limited to Rs 20/- p.m. - to be sanctioned by Govt from 1745.

Sir,

In forwarding herewith an extract of the audit notes of the Assistant Comptroller, in the matter of the increased rate of expenditure of Rs.26/- towards contingent charges in Chickballapur Municipality, ~~reporte~~, I have the honor to state that the President of the Municipality has reported that owing to the abnormal ~~raise~~ rise in the prices of the stationery articles purchased locally, the expenditure has exceeded the sanctioned scale of Rs.20/- by Rs. 6/-, and that the expenditure of Rs.26/- per month had to be incurred in the interests of Office work and Toll-gate establishment contingencies. As this is a recurring item of expenditure the Assistant Comptroller has taken objection to admit the amount in audit without sanction of Government. I request that sanction of Government for the expenditure already in-curred may kindly be obtained to admit the expenditure in audit.

Sir,

With referene to your office memo No.A5-C1622 dated 25-4-45 forwarding a copy of letter No.L.10387 dated 17-4-45 from the Law Secretary I have the honour to state that a provision of Rs 180/- per year under each head of Toll and office has been made and the same has been duly approved by Government. But in view of the Audit objection on the accounts of 43-44 made by the Assistant Comptroller that contingent expenditure at Rs 13/- instead of at Rs 10/- under each head is not regular in as much as sanction of Govt. has not been obtained, every effort is being made by this office to limit the expenditure to Rs 13/- per month under each head as against the sanctioned ~~xxx~~ scale of Rs 15/- per month in the Budget for 44-45 . But the auditors have during their inspection on 13-10-44 have observed that fresh sanction of Government has to be obtained for allowing the increased expenditure in audit.

From May 1943 continuously and during 44-45 contingent expenditure at Rs 13/- per month only under each head as against the sanctioned sum of Rs 15/- per month is being incurred.

Under the circumstances, sanction of Government may kindly be obtained to admit the contingent expenditure at Rs 13/- under each head in audit.
